**Herbal Insect Repellent**

- 15 drops lavender oil
- 15 drops tea tree oil
- 10 drops citronella oil
- 10 drops eucalyptus oil
- 10 drops cedarwood oil

In a one-ounce plastic squeeze bottle, mix these with your favorite unscented skin oil (olive oil works fine). Not recommended for pregnant women. Keep out of eyes. Try a small amount on your wrist first to check for skin sensitivities. Experiment with other ingredients to develop your own blend!

**Mold and Mildew**

- 1/2 cup white vinegar
- 1/2 cup borax
- 2 cups warm water

Pour or spray onto the moldy area and let it sit for a few minutes, then scrub off with a brush. If mildew is still visible, repeat application. Do not save leftover mixture.

--- Alternative ---

- 1 tsp baking soda
- 1/2 tsp liquid soap
- 1/2 tsp lemon juice
- 2 cups hot water

Mix together and place the solution in a spray bottle. Use as a general multi-purpose surface cleaner.
